ABOUT COMPANY

LS Production is an Indonesian sourcing and procurement company based in Bandung, established in 2023. We specialize in apparel, socks, bags, belts, garment accessories, packaging, woven labels, hangtags, and other custom manufacturing solutions.

We work closely with a trusted network of manufacturers to help brands, distributors, wholesalers, retailers, schools, and corporate customers source high-quality products with competitive pricing, reliable service, and consistent production standards.

As a trusted production partner, LS Production provides end-to-end sourcing solutions, from supplier selection and procurement to production coordination and quality assurance. With an experienced team and a strong manufacturing network, we are committed to delivering scalable production solutions, professional communication, and long-term partnerships that support our customers' business growth.

Our Vision and Mission
